Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

CLOSET FULL OF COKE: A DIARY OF A TEENAGE DRUG QUEEN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. A Glimpse Inside a Hidden World Narrated by the teenage girl who lived it, Closet Full of Coke tells the true story of how a New York suburban fifteen-year-old girl's savvy and wit helps turn the small-time drug business of Armando, a Colombian drug dealer, into a multi-million-dollar cocaine operation that puts them on the DEA's Wanted List. This intimate diary gives readers a fast-paced glimpse of the couple's speedy rise to riches, and their inevitable descent. These wannabe drug lords of the 1980s New York-to-Florida drug scene end their story only three years later with an untimely death, betrayal, and revenge. Here is a true account of drug dealers whose obsession with money, power, sex, and glamor drives them to a lifestyle of deceit and recklessness, ending in tragedies that destroy lives forever. This is no ordinary memoir; this is Memoir Noir. From the Author: I wanted the foolish girl I once was to tell her story without interruption. The result is a diary written like a novel. There is no reflection or analysis. There is a salacious story full of colorful characters and dialog, told by the teenager who lived it. Drug dealers have an interesting ethos unknown to outsiders. They live by elaborate rules and codes, and use intricate methodology to conduct business. They are far more organized than people imagine, and they see themselves as business people and entrepreneurs. Serious dealers who want success don't use drugs and they deal to other dealers, not to users. I compare my book to Film Noir. According to , "the primary moods of classic film noir" include "melancholy, alienation, disillusionment, disenchantment, moral corruption, evil, guilt, desperation, and paranoia." These moods are prominent in my book. Readers have...
